

Hire of Church Premises Agreement

Using our building – our vision and aims

Our vision for the hall at St Anne's is to enable the church to support and foster the mental, spiritual and physical wellbeing of the local community in our parish. Part of that will be providing space to rent at commercial rates, but we want the space to be used more widely, for a variety of social and creative activities, including as an affordable space for charity, voluntary and third sector enterprises. We are particularly concerned to address mental health and social isolation issues in our community. We are looking for a mixture of groups to rent the space that might cater for different needs and groups, from the young to the old. We operate a binary scale of rental fees to reflect the status of the user group, any charge to participants and the value of the activity to our core vision.

Our core values are the promotion of resilient communities with strong relationships, helping people to proactively look after themselves and others. Alongside our rentals we aspire to develop an outreach programme which offers opportunities for people to develop confidence, social skills and form friendships and connections in the local area. We believe that a sense of community spirit, togetherness and belonging is a priceless if intangible asset in an increasingly lonely and fragmented society.

Please note

We want the hall to be a place where everyone can feel included. Consequently, the building may not be used by organisations, groups or individuals advocating or tolerating racism, sexism, homophobia, violence or hatred. All users must also comply with current child protection legislation. You must have read our Safeguarding Policies on in the appendix and sign your agreement to abide by them.

The facilities

Our **HALL** measures approximately 15x10m and has a stage, toilets and kitchen. There are chairs and folding tables affording a variety of layout options, with a maximum capacity of 200 people.

Our **COMMUNITY ROOM** is a small meeting room on the first floor of the building (via stairs or lift), with chairs, folding tables, and tea and coffee-making facilities. It accommodates up to 20 people with an accessible toilet available on the ground floor

- Please note we do not routinely provide storage space and we may not be able to accept your application if you need to store equipment;
- Practitioners need to provide evidence of professional registration and of indemnity insurance cover;
- The responsibility for insuring any personal possessions on the premises is yours.

A contract with our users

Please complete the **application form** (available separately) and read carefully the **standard conditions** below that go with it. If your application is accepted, we will ask you to **agree to the following simple conditions**:

- Look after the building and leave it with chairs stacked, tables folded, and in a clean and tidy condition;
- Show hospitality and tolerance towards other users;
- Note the exact location of the fire exits, fire alarm call points, smoke and heat detectors, fire extinguishers and first aid box before the Premises are used and make them known to all guests;
- Pay your hire charges on time and use only the space you have hired;
- Make sure that children and young people are supervised at all times;
- Stick to the hours of use agreed;
- Report any faults, breakages and accidents;
- Not to make duplicates of the keys or to pass keys on to any other person without prior permission;
- Turn the lights, cooking and all electrical equipment and heating off, shut the windows, close the doors and lock up securely when you leave.

Failure to do any of these may mean we need to cancel your contract and use of the premises.

4.3 The Hirer will pay the PCC an additional charge for each hour or part of an hour after expiration of the agreed Hire Period during which any part of the Premises is used or retained by the Hirer ('Overrun') at the hourly rate applicable under the Agreement.

4.4 If Clause 12 below has not been complied with in full by the Hirer by the expiration of the agreed Hire Period, the Hirer will be deemed for the purposes of 4.3 above to continue to use the Premises until either it has been fully complied with by the Hirer or the PCC has remedied any breach in accordance with Clause 12.2.
